## MISS LUCIA DOUGLAS

Whose life has been lived that lives of others might be enriched and ennobled.

Who has given unceasingly and unstintingly of her talents and energies that young minds might find the truth and young spirits might find the better way.

Whose gentle nature and sympathetic understanding has lightened the burdens of the heavy heart and rekindled ambition's flickering fires.

To her this volume is affectionately dedicated.

H. E. JENKINS, PRESIDENT

TYLER, TEXAS

"We can look upon the junior college movement which is now spreading throughout the United States as the most significant occurrence in American education in the present century."

--Ex-President Wilbur of Stanford University

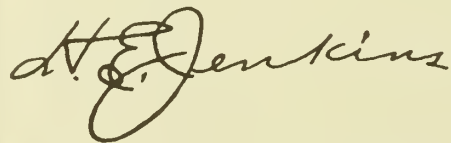

To the Students of Tyler Junior College:

May I congratulate you, who are the student personnel of the new Tyler Junior College, upon the record which you have made during the year and the contributions which you have made to the continued progress of the college.

Already this new institution, begun only three years ago, has assumed a place of leadership and importance in the system of higher education in Texas, as well as a prominent place among the junior colleges of the nation. For example, never before has the national convention of Phi Theta Kappa been held at a college only three years old.

To you, the students, I express the appreciation of the Board of Trustees and the college faculty, as well as my own. The junior college movement is the "wave of the future." You will always be proud of your part in the development of this new institution, a part of the national junior college movement.

Sincerely,

H. E. Jenkins, President  
Tyler Junior College

OFFICE OF THE DEAN

To the Students of T.J.C.:

Your presence within these marble halls marks you as one of a realm apart from those of lesser ambition.

May your stay find the smouldering spark of eager desire fanned into a flame of bright accomplishment until one day you, in looking back, may say: "Alma Mater, thou nurturer of my inspiration, thou mother of my achievement."

Most sincerely yours,

## LAND OF TO-KALON

Have you ever been to To-Kalon?  
 Why it's the land of only girls  
 With very nice manners and pretty curls,  
 And in this land of To-Kalon  
 There are two kinds of chats.  
 There are the members,  
 And, of course, there are the rats.  
 They are proud of this land called To-Kalon  
 For now it is ten years old;  
 And still it stands,  
 Proud and bold.  
 They say this land of To-Kalon  
 Is where everyone has fun;  
 And when it comes to unity . . .  
 They are all one.  
 So won't you come to To-Kalon  
 And visit a day with me,  
 Where everyone is happy,  
 As happy as can be.

Miss Euline Williams  
"The Apache"  
TYLER JUNIOR COLLEGE  
Tyler, Texas

Dear Miss Williams:

It has been a great pleasure to select the most beautiful girls for your yearbook, "The Apache." The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winners, Doris Upton, Bobbie Jean Clark, Joanne Sebastian, Joyce Maddox, Sybil Autry, Mary Helen Walker, Patsy Bryan and Wanda Sullivan, were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of "The Apache" and to the students of TYLER JUNIOR COLLEGE, I am

Sincerely yours,

## 40 TYLER — FT. LEWIS 0

The outstanding record of the Apaches throughout their eleven game season won for them a bid to the Annual Texas Rose Bowl Classic. The opponents, Ft. Lewis, Colorado, Aggies, were champs of the Colorado Junior College Conference. The Apaches were able to display their amazing power in spite of a driving rain and small but faithful crowd. The Aggies were never able to work inside the Apache 40 yard line. Besides this record, the Tyler defense, in the form of guard Sidney Dauphin, managed to set up three touchdowns on pass interceptions. Lemmons scored twice in the course of churning up 129 ground yards, an average of 9.2 yards each try. Bahnsen chalked up 76 yards on the ground and 92 yards by catching passes. By the end of the first quarter the score read 20-0. At the half it had risen to 33-0. Fumbles and penalties along with harder rain kept the Apaches from scoring in the third quarter. But again in the last period they managed to end a 69 yard march with a touchdown. Clark and Lemmons made two scores each while Bowlin and Bahnsen each had one to the credit. The teams came off the field congratulating each other on a game nicely played that ended a colorful third Rose Bowl Classic.

# 27 TYLER — McNEESE 7

The season opener, at Killan Field, Lake Charles, set the Apaches on the right trail for a tough but victorious warpath. Although the tilt with the Cowboys was non-conference it showed students and fans what could be expected of their eleven against other hard-fighting foes — a high standard which they upheld throughout the season. The Apaches were on their toes from the very first intercepting a Cowboy pass on the first scrimmage play for a touchdown. In the same quarter, however the Cowboys struck back to gain a seven to six lead. From then on it was the Apaches game. An unrelenting ground attack by the Apache backfield, netted them a total of 317 yards rushing and three more tallys. The Cowboy backs were outclassed, gaining only 109 yards on the ground. Apache touchdowns were by Clark, Dear (2), and Lemmons. Porter converted in three out of four trys.

41 TYLER — JOHN TARLETON 0

A large crowd gathered in Rose Stadium to witness the first home game and first conference match for the Apaches. The Plowboys only scoring threat came in the first period when a fifty-five yard run carried the ball across the Apache goal line. This play was called back because of an offside penalty. After this the Apache defense sparked by Kenneth Shobe kept the Plowboys outside Tyler's 26 yard line and retarded their ground game to only two yards gained rushing. The opponents completed only two out of ten passes for 24 yards. Meanwhile some brilliant passing from Dan Page to Bahnsen, McGinty and Driscoll was directly responsible for three Apache scores. Spectacular runs by Bahnsen and Lemmons helped chalk up 302 ground yards and three more trips to paydirt. Porter's skill at conversion was proved by a record of five out of six tries.

### 43 TYLER — SCHREINER 13

For the Apaches, the game with the Mountaineers meant a long trip and a powerful conference foe to defeat. But the mountain air must have been restful to them, for midway in the first quarter a long pass from Page to McGinty set the pace for the first T. J. C. touchdown. It was McGallion who carried the ball over left their strength as they rushed in to block Porter's kick. During the game two Apaches made their first touchdowns of the season after snatching the ball from the opponents. They are Royce Townsend and Alvin Beal. This latter tally was almost called back because of indecision of the officials concerning a clipping charge. Bahn-sen scored once after a Mountaineer punt was blocked on the 20. Another outstanding feature of the game was a successful field goal executed by Porter from the 22 yard line. Yet another spectacular score was made as Lemmons traveled 55 yards with careful blocking. The Mountaineer scores came late in the game. This victory for the Apaches left the powerful and undefeated Lamar as the only obstacle to the Southwestern Junior College crown.

# 27 TYLER — LAMAR 13

The Lamar tilt was probably the most exciting game of the season for a packed stadium of enthusiastic fans. The Cardinals started strong as McNeil scored twice in the opening sixteen minutes of play. The score read 13—0. Then the Page to McGinty passing combination began to make the Cardinals dizzy. The Apaches drove 73 yards in eight plays. Hughes carried over from the one. Porter kicked the goal and the score stood 13—7 at the half. The Apache fans saw new hope and worked themselves into a frenzy of spirit and excitement which aided as much as a twelfth man on the field. Early in the third period, Tyler counted again on the 25 yard Page to Bahnsen aerial. The kick was blocked and the score was tied 13-13. The tie was broken as Lamar fumbled on their 16 and the ball was recovered by Jimmy Stewart. Page then pitched to Bahnsen for six more points. Porter converted. With this lead, the Apaches concentrated on their defense checking Cardinals drives on the 27, 12 and again on the 7. In the last half minute of play, Fulton intercepted a pass on the 50 yard line and zigzagged across the field in spectacular fashion for a bonus of six points. This last score was made possible by a mighty block from End Tom Driscoll. Porter converted for the third time. T. J. C. had won a share of the Southwestern Junior College Crown. A look at the statistics will show how well the Apaches deserved this honor.

## 49 TYLER — LOS ANGELES 0

For the colorful annual Rose Festival tilt, the Apaches were host to the Los Angeles City College Cubs. Inspired by some good Texas sunshine and a stadium full of enthusiastic fans, the Apaches scored in every quarter and kept the Cubs away from any territory within their twenty yard line. It was a brilliant offensive game for the Apaches, with two runs in the first frame, one by Lemmons and one by Bahnsen, each carrying the ball to the one foot line. Both times the ball was pushed over for a score. Other runs by Lemmons, Hughes, and defensive Shobe accounted for three more tallys. A spectacular Page-McGinty pass and a timely pass interception by Fulton brought the other two Apache scores. Tyler racked up 365 ground yards and 131 yards passing, compared to 69 and 134 yards for the Cub. Porter's record for the afternoon was perfect with 7 successful conversions out of 7 tries. It was indeed an important intersectional victory for the Apaches.

Shoestring Tackle

# 47 TYLER — PARIS 0

Quite a following journeyed to Paris to witness the Apaches' second conference game. Once again Tyler scored on the first play from scrimmage with a 47 yard Page to McGinty pass. On the third play for the Dragons, they fumbled the ball and the Apaches recovered. It took only five line plays for the Tyler backs aided by a fighting line to push the ball over for another tally. Ray McGallion took the honors for carrying the pigskin over the last yard to paydirt. The final score of this game is a tribute to the valiant defensive team for the Apaches. The Dragons made no serious scoring threat throughout the game. Kenneth Bahnsen was offensive star for the night, racking up a total of 18 points. A brilliant 33 yard run by Hughes was responsible for another of the scores. As for conversions, Porter missed two out of seven tries, one failure being due to a bad pass from center. All scoring was done in the first three periods; a light rain in the second half slowed the offensive of both teams.

### 27 TYLER — SAN ANGELO 0

This was probably the hardest won victory of the season—at least the Apaches paid dearly for those 27 points. T. J. C. students huddled around their radios and the few fans who journeyed to San Angelo were disheartened as they heard the news that three of their outstanding players would be out for the all-important Kilgore tilt the next week. As it turned out, Kenneth Shobe and Homer Dear were out for the rest of the season, while John Carroll was to be out for several weeks. The Rams held the Apaches scoreless through the first quarter and half of the second. Bahnsen, Hughes, and finally Lemmons carried the ball in a series beginning on the Ram 42 and ending in a touchdown for Tyler. Porter converted. Page circled end from the 8 for the second tally. The third touchdown was the result of a Ram punt blocked by McGallion in the end zone. Porter made his third and last conversion. Clark ate up the yards from his own 49 for the last six points of the game. The game ended with the Apaches on the Ram four yard line after another nearly successful drive.

Hey fellows! Don't "dogpile"

# 61 TYLER — ARLINGTON STATE 0

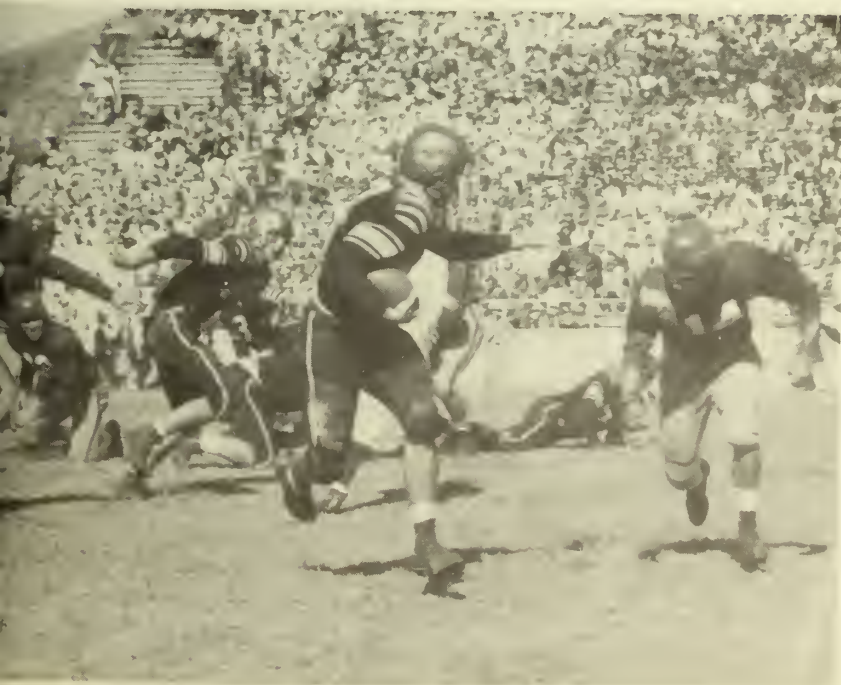

After a week of gruelling workouts, the Apaches were out to renew their prestige. Their first and only taste of defeat was fresh in their memories. During the first quarter, neither team was able to come within reach of the coveted goal line. But in the second period, a fourth down pass from Page to Clark gained 33 yards and a touchdown. Shortly after, a pass interception by Bowlin set the stage for a 41 yard run and the second score by Bahnsen. The longest run of the game was made by Apache guard, Bobby Duncan, when he intercepted a Blue Rider aerial and followed his blocking down the center of the field for 71 yards and a touchdown. In the course of the game, Billy Ray Clark crossed the goal three times, Kenneth Bahnsen twice, Charles Bowlin twice, Bobby Duncan once, and Dan Page once. Porter's conversions were successful seven out of nine times. This highest scoring game of the season definitely proved that the Apaches had lost none of their punch demonstrated throughout the season.

# 28 TYLER — COMPTON 14

The air trip to Compton, California, was one the Apache team should never forget. Their hard-won inter-sectional victory there brought renewed fame and prestige to Tyler. Although not many fans could make the trip, the team knew that they were being morally backed by a mob of Apaches at a listening party in Tyler. It was a new and exciting experience for most fans. California fans were astonished by the power displayed by the Apaches. Early in the first period Bahnsen pushed over from the four to end a dazzling 70 yard march. The Apaches line, led by Bobby Beal, Sidney Dauphin, John Carroll, and Royce Townsend, stifled the Tartar ground attack. The Apaches scored twice in the first quarter and once in the second. The latter was called back for a penalty, but another pass and ground attack once more put the ball in the coveted end zone. The Tartars' first score came late in the second quarter. Midway in the third frame, the fans were brought to their feet by a 68 yard Page to Bahnsen pass that ended in a TD for Tyler. Porter added four points to the score with his excellent kicking. This game more than evened up the 20-19 defeat in the previous encounter in 1947.

May 1, 1950

To Whom It May Concern:

We, the Apache Staff of 1950, have tried to the best of our ability to present to you another outstanding edition of "The Apache".

May we then, at this time, offer our thanks to the faculty, the photographers, and the members of the student body who helped make this yearbook possible.

Then, may I on behalf of the staff express the sincere hope that you will find much pleasure and enjoyment by glancing over the pages of this yearbook in the years which are to follow.

Sincerely,

*Owen Hamrick*
